

SAP Hybris Cloud for Customer Functional Consultant

Bluefin, the Mindtree SAP practice, is looking to appoint a SAP Hybris Cloud for Customer Functional Consultant to join our global Customer Engagement Centre of Excellence.

You will be a key member of the Global Customer Engagement Centre of Excellence implementation team. This team focusses primarily on integrating end-to-end SAP Hybris solutions including SAP Hybris Cloud for Customer, Hybris Marketing and Hybris Commerce. You will be involved in all aspects of a project lifecycle from pre-sales, through prototyping, scoping, design and implementation.

Depending upon the size of the project, you may be asked to manage a small team of more junior consultants.

Duties and responsibilities

- Project work as a functional consultant
- Support pre-sales (demos, proposals)
- Knowledge sharing within CoE

Reports into:

Global Customer Engagement Centre of Excellence Lead

Location:

UK based with travel.

Skills and experience

Mandatory skills

- Previous project experience of SAP CRM and C4C implementations.
- At least 1 full life cycle C4C project (Design to Go Live) with one project including SAP ECC or CRM integration
- Detailed understanding of C4C Master data and transactional process for Sales scenario. Should be able to lead requirement gathering workshops.
- Can solution design, configure and demo C4C Sales scenario. This should include both standard capability as well as all type of extensions.
- Good understanding of C4C to ECC integration scenarios from a design, implementation and debugging perspective
- Excellent written and verbal communication skills

Desirable skills

- Knowledge and experience with SAP Hybris Service
- Exposure to C4C SDK
- Experience integrating SAP C4C with SAP BW
- Experience integrating SAP C4C with non-SAP systems

Key attributes

Your personality is critical. You will be an animated, outgoing person who brings life to the workplace and maintains a positive attitude in all aspects of your job. You will be dynamic with a “get up and go” attitude. But most importantly, you will have an attention to detail that you bring to everything you do.

Your proven approach to creating innovative solutions is key for successful architects at Bluefin, as is the ability to communicate brilliantly with other consultants and clients alike.

Finally, you will have a can-do attitude and willing to get your hands dirty to either implement your solution design based on customer requirements or to put together a prototype or pre-sales demo.

Reward and benefit

- Competitive base salary (plus bonus)
- Family health insurance
- Life insurance
- 25 days holiday
- Comprehensive expenses policy
- Cycle to work scheme
- Childcare vouchers
- GAYE

About Bluefin

Bluefin is the Mindtree SAP practice. We work with customers to challenge traditional thinking and bring new ideas to life through SAP technology. Every day, a Bluefin team of industry consultants is listening, advising and helping to create value for large organisations across the world. Headquartered in the United Kingdom, we have offices in Malaysia, Singapore and the United States.

Mindtree is an equal opportunity employer.
