

EPM Principal Consultant

Bluefin, the Mindtree SAP practice, is looking to appoint an EPM Principal Consultant, to join our Global Customer Engagement Centre of Excellence.

Duties and responsibilities

You will take a leading role in this high performing EPM team, working on cutting edge engagements with a diverse set of large enterprises:

- Engaging with existing and prospective customers in an advisory capacity, helping to shape their EPM strategy, both from a technical and business process point of view.
- Providing pre-sales support during EPM sales cycles – understanding customers’ needs and positioning a compelling Bluefin proposition
- Acting in an SME capacity on EPM delivery projects, whether as a solution architect, process expert, or providing quality assurance
- Contributing to creating and taking to market Bluefin’s EPM value propositions, through multiple channels such as external thought leadership, marketing, and maintaining partner relationships
- Mentoring and developing more junior members of the team
- Working with the EPM COE Lead as part of their COE leadership team – helping to set and execute the COE strategy

Reports into:

EPM Lead

Location:

UK based with travel

Reward and benefit

- Competitive base salary (plus bonus)
- Family health insurance
- Life insurance
- 25 days holiday
- Comprehensive expenses policy
- Cycle to work scheme
- Childcare vouchers
- GAYE

Key attributes

Your personality is critical. You will be an animated, outgoing person who brings life to the workplace and maintains a positive attitude in all aspects of your job. Your clients, colleagues and friends see you as a rising star in your field – a field that you are well-connected and networked within. You will be a natural leader who inspires commitment and creativity within your team – and confidence within your client stakeholders. You will be dynamic with a “get up and go” attitude. But most importantly, you will have an attention to detail that you bring to everything you do.

Skills and experience

Mandatory skills

- Strong track record in consulting, ideally from a respected consulting firm (e.g. Big 4)
- Domain excellence within EPM, covering financial and operational budgeting/forecasting, statutory and management close/consolidation/ reporting/ disclosure.
- Strong technical experience in at least one of the SAP EPM tools (e.g. BPC, IP, BPS, PCM, BusinessObjects Cloud, BFC, and Disclosure Management). Evidence of having taken leading roles on multiple large implementations project.
- Peripheral experience of Analytics, and SAP ERP
- 3+ project lifecycles with Blue chip clients i.e. FTSE 100 or Fortune 500
- Strong consulting background in advisory services in a senior role
- Project management – must have lead a project or significant work stream on at least 2 occasions
- Excellent communication skills and ability to build ‘Trusted Adviser’ relationships
- An accounting background and/ or qualification is advantageous

About Bluefin
