

## SAP Data Warehouse Senior Consultant

Bluefin, the Mindtree SAP practice, is looking to appoint a SAP Data Warehouse Senior Consultant, to join our BI HANA Centre of Excellence. The successful candidate has demonstrable skills and experience in HANA Data Warehousing and with HANA native development. They would be expected to help develop this growing area of work within Bluefin, working with some of our biggest global clients to shape their capabilities in this space. The role is a mixture of technical and functional consulting, with some business development when required. The candidate should be adaptable and “self-starting”, and able to take the initiative to learn new technologies and approaches. It is expected that the candidate would help shape the direction of the CoE in the Big Data Warehouse space, moving to a lead role within the CoE if and when this is deemed appropriate by the CoE Leadership Team.

### Duties and responsibilities

---

- Project work as a functional / technical consultant
- Business development & pre-sales
- Shaping CoE strategy in Data Warehousing
- Show thought-leadership and contribute to knowledge sharing within the BI HANA CoE
- Develop and facilitate training courses, both within the CoE and externally

#### Reports into:

HANA Lead

#### Location:

UK based with travel.

### Skills and experience

---

#### Mandatory skills

- HANA data modelling and development preferably with certification
- Big Data Warehouse solution architecture and implementation
- HANA Analytics modelling and development
- Strong knowledge of ETL tools, preferably HANA Smart Data Integration and/or SAP Data Services

- Authorisation management

#### Desirable skills

- BW on HANA and/or BW/4HANA solution design and implementation preferably with certification
- HANA Core Data Services
- HANA XSA
- Implementation of GDPR compliant solutions
- HANA Data Provisioning Agent and SDA
- Multi-temperature data management
- HANA SQL Script programming

### Key attributes

---

- Self-starting, able to learn new technical skills quickly, excellent client-facing skills, data warehousing background

## Reward and benefit

---

- Competitive base salary (plus bonus)
- Family health insurance
- Life insurance
- 25 days holiday
- Comprehensive expenses policy
- Cycle to work scheme
- Childcare vouchers
- GAYE

## About Bluefin

---

Bluefin is the Mindtree SAP practice. We work with customers to challenge traditional thinking and bring new ideas to life through SAP technology. Every day, a Bluefin team of industry consultants is listening, advising and helping to create value for large organisations across the world. Headquartered in the United Kingdom, we have offices in Malaysia, Singapore and the United States.

Mindtree is an equal opportunity employer.
